HIGH SCHOOL BAND
AUSTIN ISD**

**CORPORATE SPONSOR
INFORMATION
2008-2009**

Dear Prospective BIG and BOLD, BLUE and GOLD Akins Eagle Band Sponsor:

The W. Charles Akins Eagle High School Band Booster Organization exists to promote and stimulate music education in the Austin community and in particular, within the music program of the Akins High School Band. The Akins Band program is still relatively new and entering its eighth year competing at the UIL level. You may have heard that our band competed on November 8, 2006 at the Alamodome in San Antonio, Texas at the Texas State UIL Championship (http://www.news8austin.com/content/your_news/?SecID=278&ArID=174355), and was a finalist. This is an extraordinary accomplishment for any band program, and this year the band will be seeking to return to the Alamodome and has set a goal of being among the top 5 high school competitive bands in the state.

Under the leadership of our Director of Bands, Gary Faust, our band program has grown to represent the highest principles embodied by the Texas University Interscholastic League. Mr. Faust has established, and continues to nurture, a standard of excellence for the students that reaches beyond the boundaries of our campus to profoundly impact the Austin community. His tireless dedication to these students and his insistence that they challenge themselves to reach beyond their own accomplishments, has literally changed the complexion of the marching band community in Central Texas and raised the standard for all of the bands competing in this area. We ask that you celebrate this commitment by sponsoring the band through your generous donation so that this program can continue to reach students who otherwise may never have found their voice.

We look forward to establishing permanent relationships with businesses and individual supporters in the community, and thank you for the opportunity for our band to participate. Our students and their families live in the community, and we will be happy to promote your support of our program on our website and wherever our band performs.

If you need further information or have additional questions as to how you can assist, please feel free to contact Harvey Starks or Susan Starks, Akins Band Booster Co-Presidents, at webmaster@akinseagleband.org, or at (512) 656-0293 or sstarks6@yahoo.com.

Sincerely,

Harvey and Susan Starks

Co-Presidents, Akins Band
Booster Organization
